### **Above and Beyond**

**Weds. June 10, 7 p.m. University Synagogue**

In 1948, a group of World War II pilots volunteered to fight for Israel in the War of Independence. As members of 'Machal' --volunteers from abroad-- this ragtag band of brothers turned the tide of the war, preventing the possible annihilation of Israel at the moment of its birth. They also laid the groundwork for the Israeli Air Force. Featuring interviews with pilots, as well as leading scholars and statesmen, including Shimon Peres, the film presents an extraordinary, little-known tale with reverberations to the present day.
